

2026 BAJA ADVENTURE CRUISE HOTEL STRETCHERS

Welcome to Loreto! The town of Loreto offers a rich mix of Old Mission traditions, authentic lifestyles, with a wealth of Mexican Culture.

Loreto was the first capital of the Californias, and the historic “Our Lady of Loreto” Mission, located in Loreto’s town square is still open to the public and for daily use. Loreto’s beautiful location is nestled between the Sea of Cortez and the Sierra de la Giganta Mountain range, giving visitors a unique mix between ocean and mountain activities.

One of the top reasons to visit Loreto, besides its rich history, is the FOOD! Paletas! These Mexican popsicles come in a literal rainbow of flavors. From chocolate, vanilla, coconut and strawberry cream (with chunks of strawberries) to

more unique flavors like a cactus flavored paletas.

There are several great restaurants to experience in the old town. Los Olivos for the view and seafood, Mi Loreto for authentic style Mexican food and ambiance, to name just a few favorites. Most are less than a 10–15-minute walk from the hotel. You will also enjoy the La Mision hotel restaurant as several guests raved about it on our last trip!

The La Mision Hotel in Loreto is one of the more elegant hotels on the Malecon. Our guests from the 2025 Whales trip gave high reviews of this European-Mexican Hacienda Style hotel. We loved their wonderful staff, accommodations, location and food. The hotel is a short 5-minute walk to the main road of the Old Town of Loreto, and right across from the Sea of Cortez.
