"Putting together an Olivia group was easy. It was also rewarding as each of my guests received a group discount and I received remuneration for my efforts as well, which I used to host special dinners and sightseeing excursions for my travel mates. Forming an Olivia group makes sense! Everyone benefits."

OLIVIA'S GROUP LEADER PROGRAM

olivia™

Welcome to Olivia's Group Leader Program!

Group travel on an Olivia vacation is exciting, fun, and rewarding! Picture yourself dining al fresco at a fabulous, all-inclusive resort with all of your closest friends. Or hiking, kayaking, or sightseeing together on an excursion on a 7-day Caribbean, Mexican Riviera, Alaska, or Pacific Coast cruise. What a blast!

Traveling with a group adds an extra dimension to your vacation. It also reduces your cost! Best of all, forming your own Olivia group is easy. Our expert travel consultants are here to help you every step of the way, from showing you how to recruit and market your group to handling all of the logistics and finances.

Here's to seeing the world the way it should be seen!
With friends—on an Olivia vacation!

Here's what you need to know:

- You, as the group leader, will receive \$100 off your selected trip for every guest that books into your group (at the early-bird rate).
- Each member of your group will receive \$100 off the cost of their trip when they commit to travel with you (\$100 may not be combined with any other Olivia offer)
- Our Group Program is available only on our large cruise and resort vacations
- Your group must consist of at least 8 guests, including you
- At least one-third must be first-time Olivia travelers
- Guests already booked on a trip cannot be added toward your group quota
- You may continue to add guests to your group up until 60 days of departure (or until the trip sells out)

"I wasn't sure I could afford an Olivia vacation, but then I found out about their group leader program. In no time at all I was able to get eight friends to join me on my vacation. They all received a discount and the money I earned from putting the group together made the trip affordable for me! What a great idea!"

Why travel with Olivia?

No matter what type of vacation experience you and your friends may be seeking, you are sure to find an Olivia trip that's just perfect.

We tailor our vacations to different types of travelers. Single travelers meet up at events, where solos coordinators are there to facilitate friendships for those who are traveling alone.

For women of color, our Sisters at Sea (on cruises) and Sisters at Play (at resorts) programs bring women together to mingle and participate in special activities that celebrate diversity.

World-class entertainment is a hallmark of all of our vacations. Past featured artists include Melissa Etheridge and Indigo Girls, comedienne Wanda Sykes, Lily Tomlin and Whoopi Goldberg, world-class athletes Billie Jean King and Martina Navratilova, influential voices such as Dr. Maya Angelou and Edie Windsor, and even financial expert, Suze Orman.
