- A valid group is a **minimum** of 8 Olivians made up of 1 group leader and 7 group members that includes at least 2 new Olivians. *A group can be as big as you want!*
- Once the group is validated by an Olivia Travel Consultant, the group leader will receive a \$100 credit towards a future Olivia trip for each member of their group.
For example: A group leader who brings 7 group members (including 2 new Olivians) will receive a \$700 credit towards your future trip.
