MALDIVES SCUBA & SPA ADVENTURE CRUISE

MARCH 1-8, 2025

Join Olivia on our first ever Maldives scuba diving charter featuring world-class diving and blissful spa treatments! Join us as we discover the magic of the Maldives! We will spend 7 days sailing the crystal-clear waters of the Indian Ocean aboard a 34-passenger luxury yacht, the perfect liveaboard for those traveling with partners who are not divers themselves. While one traveler dives into bountiful waters, their companion can rejuvenate in the spa facilities, soak up the sun on a pristine beach, explore snorkeling and various watersports, and enjoy one of the daily yoga sessions. Later you can rendezvous for a sunset cocktail, moonlit dinner on a secluded island, or movie night under the stars at the top deck theater. This yacht was the first in the Maldives to earn the award of a PADI 5-Star Resort. All dive experience levels are welcome, with expert instructors offering introductory to advanced courses. The yacht is accompanied by its own dive boat which serves as a floating dive center. Divers and snorkelers will be thrilled by superb visibility, vibrant corals, and marine life encounters. Join us as we discover the magic of the Maldives!

ROUNDRIP MALÉ, MALDIVES

Designed for divers and non-divers alike, our trip will take us to spectacular locations that truly highlight the magic of the Maldives. Wherever our adventure takes us, there are plenty of immaculate beaches, snorkel and dive sites waiting to be discovered. We may encounter a variety of marine life, including nudibranchs, eels, reef fish, rays, sharks, and turtles. Types of dives include channel, drift, pinnacle and wall, wreck, and world-famous night dives. Our expert crew will customize our itinerary for us as we cruise to maximize our experience based on local wind, weather, water, and wildlife conditions during our adventure.

WHAT'S INCLUDED?

PACKAGES

- Each traveler will select one of the below, fully included packages:
 - **Scuba Package:** up to 17 dives throughout the week (for certified divers only)
