ABOUT YOUR TOURS

After breakfast on board the ship, we leave Basel and head to the Alps! Your luggage will be on its way to your hotel in Zurich, so we encourage you to keep your personal and valuable items in your small personal luggage. First stop is the gondola ride up to Mount Titlis. This alone is worth the whole trip. Enjoy amazing views and unforgettable photographic opportunities. Once on the peak you have free time to explore an ice cave, walk in the snow, maybe try out the suspension bridge, or enjoy a high-altitude lunch on your own.

LUCERNE

Situated on Lake Lucerne, the town is surrounded by an impressive mountainous panorama. Its beautiful lakeside setting and the nearby Rigi, Pilatus and Stanserhorn mountain ranges are among its many attractions, including souvenir and watch shops. Today's tour includes a visit to the sights of the medieval town and centuries of history, old houses, churches, world-famous wooden bridges, towers and fountains, narrow streets and romantic places. See the Spreuer Bridge, Chapel Bridge, the Lion monument, the medieval walls and fortifications, and the Town Hall. After our visit to Lucerne, we drive on to Zurich and check in at our hotel. The rest of the evening is free to rest, get dinner or explore the old town with a walk by the lake or shop.

APPENZELLER CHEESE FACTORY

Enjoy a lovely morning drive through pastoral Switzerland to the Appenzeller Cheese Factory. We will have an opportunity to see how cheese is made and to sample a bit along the way. After the tour, which includes a 5-cheese sampling, we will enjoy a delicious lunch featuring traditional local dishes. The house specialty is homemade cheese quiche, but you can also choose from Swiss sausage (bratwurst) with onion sauce and French fries or cheese noodles with onions and apple sauce. All are delicious!

MAESTRANI CHOCOLATE FACTORY

The only thing better than Swiss cheese is Swiss chocolate. Your full-day tour includes a visit to the Maestrani Chocolate Factory. Watch a short film about the history of chocolate-making, then take a guided tour through the factory. You will get great insight into the production of their mouth-watering delights, with many opportunities to taste along the way. You will even have a chance to pour your own chocolate bar with your favorite toppings! And, of course, there will be plenty of time to shop for famous Swiss chocolate to bring home to friends (or for yourself)!

****Note that the order in which we visit each place may change***
