

2025 SAFARI HOTEL & TOUR STRETCHERS & OPTIONAL BALLOONING

Welcome to Nairobi! The largest city between Cairo and Johannesburg, Nairobi is a modern, cosmopolitan capital. Located 5000 feet in the fertile highlands, it offers a delightful climate with warm days and cool nights.

A serene, smart and entirely refined luxury urban retreat, the 5-Star Villa Rosa Kempinski is well located in the midst of bustling vibrant Nairobi, capital of Kenya. Here, the best of African hospitality and European luxe awaits – perhaps a few laps in the heated outdoor swimming pool and a soothing massage at the spa, or a civilized drink in the buzzing Balcony Bar followed by dinner in one of a quartet of fine restaurants.

(Naturally, room service is available 24-7 too.)

Rejuvenation and relaxation – whether following the rigors of a flight or the soul-stirring joys of safari – the Villa Rosa is an intelligent choice for a sophisticated Nairobi stay. Elegant classical décor and soothing cool tones make for restful nights and equally rejuvenating days. King-size beds, bright airy bathrooms and all the conveniences such as high-speed Wi-Fi, in-room safe and room service are in place.

To help with your planning, we are offering four different options for hotel stretchers to accommodate 1, 2, and 3, pre-night arrivals, and a 1 post-night stay. The 1-night post simply extends your **already included** 12 pm – 6 pm dayroom on Nov. 19 to an overnight room with checkout at 11 am November 20 – this is why you'll see the pricing listed so much less expensive than the 1-night pre.

Nairobi 1-, 2- and 3- Night Pre-Stretchers

November 9-10, November 8-10, or November 7-10, 2025

This is a great option for those who would like to arrive early to rest and adjust to the time change, hang out by the pool, schedule a massage, or get a little more shopping time with your included tour on November 10. You have the option of 1-, 2- or 3-night pre-hotel packages.

Check-in for all packages begins at 12 noon. Most flights into Nairobi arrive late in the evening, so this is not an issue for most arrivals. Please be aware that if you are arriving prior to 12 noon, your rooms will most likely not be available.

Karen Blixen Museum - November 10, 2025

(Included feature in all pre-stretcher packages)

After a leisurely breakfast, your Safari Director will take you and the other Olivia guests to Karen Blixen's Museum.

Set in the serene suburb of Nairobi, the Karen Blixen Museum offers the most comprehensive insight into the woman Karen Blixen was, against a backdrop of Karen's beloved Ngong Hills.

Built in 1912, Karen and her Swedish Husband, Baron Bror Blixen-Finecke bought the house in 1917, and it became the farmhouse of

their 6,000-acre coffee farm. Their marriage failed after eight years, and in 1921 the Baron moved on and left the running of the farm to Karen.

Located 10km from the city center, the museum belongs to a different time period in the history of Kenya, and later gained international acclaim in 1985 with the release of the movie 'Out of Africa', an Oscar winning film based on Karen's autobiography by the same title with Meryl Streep and Robert Redford.

By 1986, the house became part of the National Museums of Kenya. Many pieces of furniture that Karen Blixen sold were acquired back and constitute part of the exhibition in the Museum. You'll find a few articles of clothing and boots worn by Robert Redford and Meryl Streep. A museum shop offers a wide selection of souvenirs including handicrafts, posters and postcards, the Movie 'Out of Africa', books and other mementos.

PLEASE NOTE: This tour is not available to book on its own. It is built into the Pre-Hotel packages only.

Nairobi 1-Night Post Stretcher, November 19-20, 2025

For those who have flights departing from Nairobi on November 20 in the early morning or later in the day, you'll want to consider this option. We are simply extending your **already included** 12-6 pm "day room" on November 19 to an **overnight** room with check-out November 20 at 10am. This is why you'll see a noticeable lower difference in price from the 1-night pre.

If your flight departs in the late evening of November 20, keep in mind you'll need to check-out by 10am and you'll have a whole day before your transfer to the airport. We recommend talking to the front desk about their pricing to extend your time in the room after check-out and pay them direct. It's usually much more cost effective to work directly with the hotel rather than for us to price another room for you. Your transfer to the airport that morning or evening will still be provided by Micato.

1-Night Post Stretcher includes:

- Transfer service from Villa Rosa Kempinski hotel to Jomo Kenyatta International Airport on November 20, 2025
- Included day room turned into an overnight Superior room at the Villa Rosa Kempinski Fairmont Hotel on November 19 with check-out at 10am November 20
- Hotel room taxes and 19% VAT Taxes
- Breakfast on November 20
- All portorage and gratuities to the Safari Director and Driver
- Hospitality Desk fully staffed throughout the day November 20

Pricing:

November 19-20 - Nairobi 1-Night Post Stretcher Price, Per Person:

\$139 Per Person Double Occupancy

\$189 Per Person Single Occupancy

IMPORTANT: Regarding hotel stretchers

We have worked very closely with our host hotel to make the pricing as reasonable as possible for a Superior City View room at the Villa Rosa Kempinski with all the hotel taxes included, airport transfer, bellman tip, daily breakfast from the day after your arrival, and tour of Karen Blixen's Museum with shopping opportunity. In addition, you have the services of our local staff to help with any room issues that may arise, or to assist with anything you may need during your stay. This is being offered for your convenience. Let us do all the work for you!

We provide group transfers with your arrivals on the day of the program start date, November 10, and with any of the pre- or post- option start dates. Transfers are NOT included if you choose to book the hotel on your own for pre- or post-options.

Optional Hot Air Balloon Ride

\$525 per person

(Early morning departure on one of the 2 full days in Maasai Mara to be assigned to our group closer to the trip)

Leave camp before dawn – the sky is clear, the air is brisk, and the conditions are perfect. As the sun rises over the Mara Plain, your balloons lift off one after the other, and the scene takes on a festive air as these bright splashes of color rise into the blue. Watch as a stunning panorama unfolds below you, and the balloon's basket becomes your lookout post for a bird's-eye view of the beauty of Africa.

Float silently just a few hundred feet above herds of wild animals. Gazelle and impala watch curiously with their tails flagging – a warning to others that you are approaching. A pride of lions stalks an unsuspecting herd of wildebeests. Giraffes poke their heads out of the forest where they have been nibbling tender leaves. The tranquility of the experience is interrupted only by the occasional “whoosh” of the air heaters.

You will go aloft with one of Africa's finest ballooning companies.

Their excellent professional pilots and ground crews assure your safety and pleasure both during the flight, and at a celebratory champagne breakfast upon touch down in the middle of the bush. Return to the camp in time for lunch and a midday rest, just in time for your late afternoon safari.

Notes:

- * Your tour will give you a birds-eye view of the African plains. The balloon does not get close to the animals.*
- * Tour does not include gratuities for the Balloon Operator Tour Guide (suggest \$20-\$40 pp)*
- * Final pricing for this optional excursion is subject to change.*
- * The day assigned will depend on the number of reservations and the Balloon Tour Operator's schedule.*
