ABOUT YOUR TOURS

Waldegg Experience

Maestrani Chocolate Factory

Appenzell Viillage

MT. TITLIS

After breakfast on the ship, we depart from Basel and head to the Alps! Your luggage will be on its way to our hotel in Zürich, so we encourage you to keep your personal and valuable items in your small personal luggage. Our first adventure is the gondola ride up to Mount Titlis. The views alone are worth the whole journey! Enjoy breathtaking landscapes and unforgettable photographic opportunities. Once on the peak you have free time to explore an ice cave, walk in the snow, maybe try out the suspension bridge, or enjoy a high-altitude lunch on your own.

ZÜRICH LESBIAN 'HERSTORY' TOUR

Step into Zürich's charming old town for a captivating stroll through the city's hidden lesbian and feminist history, led by local historians Natalie and Corinne. From trailblazing 19th-century scholars to the bold activists of the 1970s, you'll visit the very streets, homes, and gathering places where women challenged societal norms, fought for equality, and built spaces of their own. Along the way, uncover stories of pioneering suffragist Meta von Salis, the secret haven of the Damenclub Amicitia, the fearless performances of Erika Mann, and the rallying sites of political lesbians who demanded visibility and rights. After the roughly 1.5 mile walk & city orientation, you'll have the option to return to the hotel with your guides or stay in the city to enjoy one Zürich's many fabulous restaurants or sip & celebrate sisterhood at a local queer bar.

WALDEGG EXPERIENCE

Set against the panoramic backdrop of the Säntis mountains, the Waldegg Experience offers a vivid glimpse into the culture and history of Appenzell. Wander through a lovingly restored farmhouse, its cozy parlors and antique furnishings reflecting the rhythms of generations past. In the wood-fired bakery "Ziträdli," watch master bakers revive the centuries-old craft of making Appenzeller Biber, the region's beloved spiced gingerbread, as the scent of coffee and fresh bread fills the air. In the historic schoolroom "Tintelompe," gain insight into the education of earlier generations, complete with authentic desks, materials, and stories that bring the era to life. Outside, meet rare Appenzeller goats, Spitzhauben hens, and other farm animals that remain vital links to the region's agricultural roots. Blending hands-on experiences with cultural storytelling, this is an authentic, immersive journey into Appenzell's rich heritage.

MAESTRANI CHOCOLATE FACTORY

The only thing better than Swiss cheese is Swiss chocolate. Your full-day tour includes a visit to the Maestrani Chocolate Factory. Watch a short film about the history of chocolate-making, then take a guided tour through the factory. You will get great insight into the production of their mouth-watering delights, with many opportunities to taste along the way. You will even have a chance to pour your own chocolate bar with your favorite toppings! And, of course, there will be plenty of time to shop for famous Swiss chocolate to bring home to friends (or for yourself)! After we return to the hotel, visit the the Olivia hospitality desk for dinner recommendations and take a nice post-meal stroll through the Altstadt.

APPENZELL VILLAGE

After your morning tour on the second day of your stretcher, you will make your way to the storybook charm of Appenzell Village, today's lunch location, nestled in the rolling green hills of northeastern Switzerland. Known for its brightly painted facades, flower-filled window boxes, and welcoming small-town atmosphere, this traditional Swiss village offers a feast for the senses. Follow your guides as you meander along quaint streets lined with colorful boutiques, artisanal cheese shops, and inviting cafes - perhaps even sampling a local specialty along the way. Take in the intricate details of the historic buildings, admire the surrounding alpine scenery, and savor the relaxed pace of life. After lunch, you'll have free time to explore at your leisure, browse for unique souvenirs or simply soak in the picturesque setting before continuing the day's tour.
