Enjoy the flexibility of arriving at your destination a day early and enjoy some of the sights of Budapest!

Join us in Budapest, Hungary's captivating capital. Whether you are wandering through the pedestrian area of shops and restaurants, enjoying one of the thermal spas that Budapest is known for, or shopping at the famous Central Market Hall (where you will find the delicious Lángos (fried bread with sourcream and cheese - yum!), you are sure to enjoy this beautiful city on the Danube.

### ACTIVITY LEVEL - Moderate

Mobility is important as most of the tours on this trip do require a lot of walking and castle stairs without the use of a wheelchair, walker or scooter. Most of the tours offered are walking tours for up to 3 hours on terrain that includes cobblestone streets, uphill and downhill paved and non-paved roads, risers and stairs. Guests must be able to get on and off buses with steep stairwells. If you have any concerns, please contact us before booking this trip. **If you have limited mobility, you are required to travel with someone who can assist you.**

We do our best to accommodate most guest abilities, but please note that the Tour Operator, Cruise line or Olivia has the right to refuse passage to a guest that is not able to fully participate in the tour as outlined above.

**IMPORTANT:** This stretchers are offered as one complete package and cannot be split up into shorter packages or tours only. The hotel hospitality desks, tour leader and local staff services and inclusions are only available for stretcher-package guests. Thank you.
